NURSERY SESSION 2023-2024

## HOLIDAY ENRICHMENT ACTIVITIES

Dear Parents

We know summer holidays are the time of the year when you get an opportunity to spend time with your child. To keep the little ones indoor in the sweltering heat and to utilize their time in creative activities, we have attempted to design meaningful creative activities to occupy the kids in their free time. We wish you have an enjoyable summer vacation with your kids. Here are few tips which will engage your kids in holidays.

1. Suggested Books- Books are a man's best friend. Buy different picture books, colouring books and story books for your child. Let the child do picture reading, colour the sheets in colouring book and recall the characters and incidents of the story.
2. Know your Home Play -Different games with your kids to encourage them to express freely and make them more responsible. It is going to increase their self-confidence and help them grow into as independent and confident individual. Collect things that belong to different rooms in the house and ask your child to name the objects and the room which they belong to. Help them to place the things back at the right place.
3. Suggested T.V Channels

Baby T.V., Discovery kids, Disney Junior

#### 4. Suggested Movies

The Jungle Book, Good Dinosaur, Finding Nemo, The Lion King

5. Get Close to Nature -Take your child for regular morning walk to breathe in fresh air. Make him aware of the benefits of morning walk and tell him/her about different types of plants, flowers and birds so he/she can generate love for nature.

#### 6. Let's converse in English

1. How are you? I am fine, Thank you.
2. I am thirsty, Please quench my thirst.
3. I am hungry, Please give me food/fruit.
4. I have finished my work/food.
5. Please open/close my Bottle/Lunch/Bag.
6. Please switch on/off the light/fan.

7. Home Assignment- Take a print out of given worksheets and help your child to complete them. Help your child to make an attractive handmade folder with pastel sheet and compile all the homework in it.

8. Practice Work- Encourage your child to do Colouring, Scribbling, Painting and Cutting with scissors in order to develop their fine motor skills. Also practice Number and Letter recognition every day.

9. Written Work- Help your child to write PATTERNS- Standing, Sleeping, Slanting lines and Curves everyday in home practice notebook. Use properly sharpened pencil.

10. Project Work-Prepare 3D cutouts (A3 size) get them laminated according to roll no. and topics which have been mentioned below:-
