Holiday Homework (2025-2026)

Class – K.G.

**Summer, Summer,
Is almost here,
Time for fun,
And swimming gear.**

**Trips to the beach,
Are always such fun,
Along with baseball,
And games where we run.**

**Summer, Summer,
Is almost here,
I can hardly wait,
Let's give a big CHEER!!**

DEAR PARENTS,

We know summer holiday are the time of the year when you get an opportunity to spend time with your child. To keep the little ones indoor in the sweltering heat and to utilize their time in creative activities, we have tried to design meaningful creative activities to occupy the kids in their free time. We wish you have an enjoyable summer vacation with your kids. Here are few tips which will engage your kids during vacation.

Language Development

Show and Tell:

Choose any one object from your surroundings every day and let your child speak a few lines on it (Eg: This is my ball. It is yellow in color. I play with my ball)

Gift of quality time:

Give your children the ultimate gift of time. Children learn by examples. If you are setting a good example for them by spending quality time together, then they will feel secure, confident and responsible. Here are some tips to spend quality time with your children.

- Cook and bake together
- Play indoor games like Ludo, snakes and ladder, carrom board etc.
- Read a book together
- Walk together.
- Make a craft work together.

Story and rhyme time:

Reading story books enhances language and vocabulary development. Make bedtime reading a regular practice with your child (with pictures and large text). After reading stories ask questions like “Did you like the story?”, “Who was your favorite character in the story?” etc....

- Suggested story books series: Pratham Books, Pepper Book Series, Bruno Book Series, lady bird (level 1), Bubbles Series

Speaking skills:

To speak in English is need of an hour. Children have a great capacity to absorb the language of sounds. So, we must put every effort into ensuring that the child starts learning this language as early as possible. Try to use below mentioned sentences in your routine conversation.

- Mom, I am tired.
- Please change my clothes.
- May I go to play?
- Let me watch TV.
- Let's go out
- When will Papa come?
- I am hungry / thirsty.
- May I go to washroom.
- Please pass me the vegetables.
- Please clean my face.
- Nice to meet you.

SPECIAL DAYS ACTIVITIES

June 5 – World Environment Day

Here are some of the interesting activities we can encourage our young ones to do

- Make Earth Green – Plant a sapling and water it every day.
- Take care of birds – Keep a bowl of water and grains for birds.
- Save electricity – Don't leave the lights on when you are not in the room.
- Save water –
 1. Save water everyday, don't let it go away!
 2. Turn off the tap when not in use.
 3. Water is precious, don't use it!
 4. Let's save water, it helps nature!

June 15 – Father's Day

A father figure is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed and has faith in you when you fail... Make a beautiful handmade card on Father's Day.

June 21 – International Yoga Day

International Yoga Day celebrates the physical and spiritual prowess that yoga has brought to the world stage. While it is an important source of exercise and healthy activity, millions join in and practice daily.
