CIRCULAR TO PARENTS

Subject: Vandalism and Damage to School Property

Dear Parents,

It is with deep concern that we bring to your notice an unfortunate incident that took place during the Teachers' Day celebration. Some senior students of Classes XI and XII indulged in acts of vandalism, including breaking partitions in the boys' toilet. On several occasions in the past, doors and other utilities in the toilets have also been damaged and destroyed.

Students are expected to strictly adhere to the code of discipline within and around the school premises, as specified in the school diary. It is important for everyone to be aware that the entire school premises and surrounding areas are under surveillance through security cameras. Any violation of the code of discipline in inappropriate activities will be dealt with seriously.

An unlawful incident occurred in the school and appropriate measures will be taken to address the matter.

We are committed to maintaining a safe, respectful and high quality learning environment. Vandalism – defined as the deliberate damage or defacement of school property – undermines this and will not be tolerated.

(As and when) The school will undertake the necessary repairs. However, the cost involved will be debited either to all boy students of Classes XI and XII collectively, or to the particular students who admit to indulging in this unsocial and irresponsible act.

We wish to remind students and parents that all facilities provided in the school are for the benefit and use of students and staff. If such facilities are misused or wilfully damaged, the school will be left with no alternative but to discontinue them.

We sincerely hope that parents will take up this issue with their wards and counsel them against engaging in such unacceptable behaviour. Respect for school property and adherence to discipline are essential values that every student must uphold.

With your cooperation and support, we are confident of creating a safe, disciplined, and value-based learning environment for all our students.

Warm regards,

(Md. Imran Zafeer)
