Subject: Strict Prohibition of Underage Students Commuting via Scooty

Dear Parents and Students,

This is to bring to your kind attention that, as per school safety guidelines and traffic regulations, students who do not possess a valid driving license are strictly prohibited from commuting to school on two-wheelers, including scooties.

Students are hereby informed that any scooty found parked on public pavements outside the school will be reported to the concerned authorities and is liable to be confiscated without any prior notice.

We have observed that some students are arriving at school on scooties despite being underage and unlicensed. This not only violates traffic laws but also poses serious safety risks for the student and others on the road.

Henceforth, any student found commuting via scooty without a valid driving license will face strict disciplinary action.

We urge parents to cooperate with us in ensuring the safety of all students. Underage students may use the following alternative modes of transportation:

- School vans or public transport
- Drop-off and pick-up by parents or guardians

Your support in this matter is crucial in upholding student safety and legal compliance. We appreciate your understanding and cooperation.

Thank you.

Sincerely,

HOS/Vice-Principal(Interim)

Md. Imran Zafeer
