IMPORTANT CIRCULAR - 06.09.2025
STRENGTHENING ACADEMICS, ACTIVITIES, VALUES AND DISCIPLINE

Dear Parents,

We are pleased to inform you that the school is taking a number of steps to further strengthen academics, enhance co-curricular activities, inculcate proper values, dress code and ensure discipline among students. These initiatives are being introduced with the objective of providing our children with a well-rounded education in a supportive and structured environment.

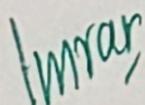

In order to achieve these goals effectively, we seek your continued cooperation and active support. Together, we can bring about positive changes that will benefit our students both in their academic journey and personal growth.

As part of these initiatives, please note the following important updates:

1. **Academic Enhancement:** Paramount focus is to provide quality education and in line we are updating our technological resources, teachers training initiatives, increase in sports activities and active participation of students in extra co circular programmes.
But at the same time we would like to remind the parents that all this endeavour will be successful only when we have regular and consistent participation of students. It is disheartening to bring to your notice that many of the students absent themselves from school and especially on Saturdays. Parents are requested to please discourage this absentism and counsel the children to be regular to school.
2. **Change of Winter Uniform:** The School will be introducing a new winter uniform from this academic session. Details of the vendors will be provided shortly. **Parents are requested not to purchase the previous winter uniform.** The exact date for the changeover will be notified shortly.
3. **Dress Code:** It has been observed that few students are not dressed in proper school uniform. To maintain the prescribed dress code and to adhere to it is the duty of the student and to monitor this is the responsibility of the parent. Students reach the school in different shades of trousers, in sports shoes, different colour socks, at times the dress is not ironed or shoes not polished etc. **Therefore, the parents are requested to please personally look into the dress of the child when he/she is ready to reach the school.**

We sincerely look forward to your support in implementing these measures successfully. Your encouragement and cooperation play a vital role in shaping the character and future of our students.

Warm regards,

(Md. Imran Zafeer)
