Ref. No. LAPS/CIRCULARS/03/2025

Dated..26.11.2025

Dear Parents,

I would like to propose the introduction of English Conversation Classes with the aim of strengthening students' communication skills, vocabulary, and overall proficiency in English through real-life usage and interactive learning experiences.

### Key Highlights

- 1. Dedicated Conversation Period:** One period of each English teacher will be designated as a Conversation Period for their respective classes.
- 2. Activity-Based Learning:** Each session will include activities designed around language skills: Listening, Speaking, and Reading.
- 3. Proposed Activities:**

**Speaking Skills:** Role plays, debates, storytelling, interviews, speeches, extempore

**Listening Skills:** Audio clips, short videos, listening tasks, instruction-based games

**Reading Skills:**

Reading storybooks to encourage imagination and fluency

Newspaper Reading to develop current affairs awareness, vocabulary, pronunciation, and comprehension

Students may bring newspaper cuttings related to important news, puzzles, vocabulary-building articles, or interesting stories for class discussions.

**Grammar Skills:** Interactive grammar games, vocabulary enrichment, fun error-correction activities

### Expected Outcomes

- Improved fluency, pronunciation, and articulation
- Strengthened reading habits and vocabulary through newspapers and storybooks
- Better understanding of grammar concepts through interactive participation
- Increased confidence in public speaking and expression
- Enhanced overall communication and personality development

This initiative will transform English from a subject to a practical communication tool, making the learning process engaging and experiential.
