Subject: Mandatory Attendance for Upcoming Health Check-up Camp

Dear Parents and Students,

We hope this letter finds you in good health and high spirits.

This is to inform you that our school will be organizing a **Health Check-up Camp** for all students starting from **Wednesday 10th December 2025**. The camp aims to promote health awareness and ensure the overall well-being of our students through regular medical assessments.

We kindly request the presence of all students during this period, as participation in the health check-up is compulsory. Qualified medical professionals will conduct the check-ups, which will include general physical examinations, vision and dental screenings, and basic health counseling.

Your cooperation and support in this initiative are highly appreciated. If you have any specific medical concerns or conditions regarding your child that the school should be aware of, please inform the class teacher in advance.

Let us work together to ensure a healthier future for our children.

Thank you for your attention and continued support.

Imran
