Holidays Homework (2026-2027)

Summer Holiday Homework

Class - K.G.

Holidays are the happiest days,
Filled with laughter, fun, and plays!
Time to dance, relax, and smile,
Enjoy sweet moments all the while!
Travel places, near or far,
See the beaches, hills, and stars!
Cook new dishes with family too,
And make creative projects new!

Dear Parents,

Summer Vacation! A long time to rejoice and recreate for all children. It is an appropriate period when the parents spend quality time with their children and try to discover their hidden potential, to realize their talents and raise their self-esteem.

To make summer break more interesting, meaningful, and full of fun while still doing your favorite things, here is a summer vacation activity-based homework.

Fun Activities

Activity no- 1

Family that stays together eats together -Have at least two meals together with your children. Teach them the importance of the hard work done by farmers and ask them not to waste food. Children learn dignity of labor from such activity.

NOTE - *Summer Vacation starts from 9th May 2026 i.e Saturday .

*** The school will reopen on 1st July 2026 i.e Wednesday.**

***Kindly compile the Holiday Homework in a beautiful handmade folder.**

Language Development

Show and Tell:

Choose any one object from your surroundings every day and let your child speak a few lines on it (Eg: This is my ball. It is yellow in color. I play with my ball)

Gift of quality time:

Give your children the ultimate gift of time. Children learn by examples. If you are setting a good example for them by spending quality time together, then they will feel secure, confident and responsible. Here are some tips to spend quality time with your children.

- Cook and bake together
- Play indoor games like Ludo, snakes and ladder, carrom board etc.
- Read a book together
- Walk together.
- Make a craft work together.

Story and rhyme time:

Reading story books enhances language and vocabulary development. Make bedtime reading a regular practice with your child (with pictures and large text). After reading stories ask questions like "Did you like the story?", "Who was your favorite character in the story?" etc....

- Suggested story books series: Pratham Books, Pepper Book Series, Bruno Book Series, lady bird (level 1), Bubbles Series

Speaking skills:

To speak in English is need of an hour. Children have a great capacity to absorb the language of sounds. So, we must put every effort into ensuring that the child starts learning this language as early as possible. Try to use below mentioned sentences in your routine conversation.

- Mom, I am tired.
- Please change my clothes.
- May I go to play?
- Let me watch TV.
- Let's go out
- When will Papa come?
- I am hungry / thirsty.
- May I go to washroom.
- Please pass me the vegetables.
- Please clean my face.
- Nice to meet you.

SPECIAL DAYS ACTIVITIES

June 5 – World Environment Day

Here are some of the interesting activities we can encourage our young ones to do

- Make Earth Green – Plant a sapling and water it every day.
- Take care of birds – Keep a bowl of water and grains for birds.
- Save electricity – Don't leave the lights on when you are not in the room.
- Save water – 1. Save water everyday, don't let it go away!
2. Turn off the tap when not in use.
3. Water is precious, don't use it!
4. Let's save water, it helps nature!

Developing fine Motor Skills

To develop fine motor skills. Let your child indulge in some activities like

- * Clay modelling (make any 10 objects and send them to your Class Teacher)
- * Folding clothes
- * Paper tearing and pasting
- * Tying of shoelaces
- * Buttoning and unbuttoning
