"Summer vacation is a time to relax, refresh, explore new interests, and continue learning in joyful ways."

Dear Parents,

Greetings!

This is to inform you that the Summer Vacation for Class Balvatika 1 to Class X commences from Monday, 11th May 2026 and will continue till 30th June 2026. The school will reopen on Wednesday, 1st July 2026.

Vacations provide children with an excellent opportunity to rejuvenate, spend quality time with family, and engage in meaningful learning experiences beyond the classroom. Parents are requested to encourage their children to utilize this time productively and maintain a healthy balance between recreation and studies.

Students are advised to complete their Holiday Homework neatly and sincerely as per the instructions given by the subject teachers. They should also devote some time daily to reading books, revising concepts, and improving communication skills.

Students are encouraged to limit screen time, stay physically active, follow a healthy routine, and enjoy outdoor activities while exploring and appreciating nature around them.

We wish all our students and parents a safe, happy, and refreshing summer break filled with learning, creativity, and joyful memories.

Regards

Imran
