IMPORTANT CIRCULAR **FEE STRUCTURE REVISION FOR FEE HIKE**

1. This is to bring to your kind notice that the proposed revision of fees is necessitated by the substantial increase in salary and statutory liabilities, operational and maintenance expenses, and the need to maintain a financially sustainable institution in accordance with Rule 177 of the Delhi School Education Rules, 1973. School is currently facing an acute shortage of funds, making it difficult to meet its financial obligations, including the payment of salaries and wages to the teaching and non-teaching staff. The revision is solely to ensure the continued efficient functioning and development of the school in conformity with the principles laid down by the Supreme Court (in Modern School v Union of India)
2. A presentation of the existing fee structure of the school expenses were presented to the PTA Body & SMC Members). It was clearly observed that the existing tuition fee and revenue of the school do not meet the salary and wages of the staff.
3. **We propose to nominally increase the fee by Rs. 350/- for session 2026-2027. An approval has been taken from the Members of the Parent Teacher Association of the school and the School Managing Committee has also approved the revision of fees. This will be applicable from 1st April 2026, accordingly the parents will be required to pay the differential amount from 1st April 2026 in the month of July 2026.**
