SUB: Prospectus - SOF Olympiads 2026-27

Dear Educator,

I am pleased to enclose the prospectus for the SOF Olympiads for the academic year 2026–27. I am delighted to share that SOF Olympiads remain the World’s Biggest Olympiads for school students. In the last academic session, millions of students from more than 99,499 schools across 72 countries registered for our eight Olympiads. We are immensely grateful for your continued support and encouragement.

Following is the information regarding Olympiads:

Change in SOF National Science Olympiad (SOF NSO): SOF National Science Olympiad has been renamed as **SOF International Science Olympiad (SOF ISO)**.

Olympiad Schedule - As before, all SOF Olympiads will be conducted offline (through OMR sheets). Your school may select one convenient date for each Olympiad from the provided schedule. Registrations will be accepted only through schools.

Second-Level - SOF IEO, SOF ISO and SOF IMO will have a second-level exam for students of Classes 3 to 12, similar to previous years. Second-level exam dates will be announced by December '26 (tentatively on 2nd Sunday of February, 2027). If, for any reason, second-level exams cannot be conducted, results of the first-level exams will be treated as final.

Registration Fee - The registration fee has been revised. Schools in India, Bhutan and Nepal will now pay **₹170 (including GST) per student, per Olympiad exam** to SOF. Schools may charge an additional **₹30 per student, per Olympiad exam** to cover honorarium for the in-charge, teacher remuneration and other expenses. No fee is payable for students with major physical disabilities or for any Indian student whose parent was martyred during defence operations.

Awards - In the last academic session, scholarships and awards worth approximately ₹24 crores were distributed based on students participation and performance. School principals and teachers receive cash awards, trophies, gifts and citations at International, Zonal and District levels. Students earn cash awards, scholarships, trophies, medals, gift certificates and performance certificates based on their School, Zonal and International ranks.

Introducing SOF Hall of Fame Awards - These awards honour Schools, Principals, Teachers and Students who exemplify vision, leadership, dedication and consistent excellence in SOF Olympiads – celebrating perseverance, institutional pride and a lasting commitment that inspire future generations of achievers.

Scholarships - SOF runs three key scholarship schemes:

- Girl Child Scholarship Scheme (GCSS) for underprivileged meritorious girls.
- Academic Excellence Scholarship (AES) for all-rounded students excelling in multiple SOF Olympiads.
- Defence Services Academic excellence Scholarship (DSAS) for talented children of serving or retired Defence Services or Internal Security personnel.

I look forward to your active participation in the SOF Olympiads this year. Thank you once again for your valuable support.

Warm regards,

Mahabir Singh
Founder Director
